MEMORANDUM FOR: Director of Security
 Chief, Medical Staff

SUBJECT : Report of Cases of Mental Illness.

REFERENCE : Memo dtd 24 Feb 54 to A-DD/A and AD/P fr IG, same
 subject.

1. I have discussed the attached memorandum with the Assistant Director for Personnel and the Inspector General.

2. Since contributions to the report requested will be made by the Chief, Medical Staff, the Assistant Director for Personnel, and the Director of Security, it occurs to me that the report could best be prepared through the mechanism of the Psychiatric Disposition Board (which we agreed to establish a short while ago under the Chairmanship of the Assistant Director for Personnel) and that after contributions by the Medical and Security Offices have been delivered to the Assistant Director for Personnel he could then prepare the over-all report to the Inspector General with information copies to the Director of Security, the Chief, Medical Staff, and the Acting Deputy Director (Administration). Mr. Reynolds and Mr. Kirkpatrick have informally indicated to me that they agree with this suggested procedure.

3. It is, therefore, requested that the Director of Security and the Chief, Medical Staff cooperate with the Assistant Director for Personnel fully in this matter.
